## Supplements to the Tender Offer Document

The Offeror supplements the Tender Offer Document with the following information in this document (the "Supplement Document"). This Supplement Document constitutes a part of the Tender Offer Document and should be read together therewith.

Consequently, the Offeror supplements the cover page, section "Certain Key Dates" and section 3.3 of the Tender Offer Document with the Offeror's Stock Exchange Release, which is appended as Appendix S to the Tender Offer Document.

The sixth paragraph of the cover page shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in ~~strikethrough~~):

If the required merger control clearance process has not been concluded, ~~and/or approvals required under applicable foreign direct investment laws have not been obtained,~~ by the end of the Offer Period, the Offeror intends to, in accordance with and subject to the terms and conditions of the Tender Offer and applicable laws and regulations, extend the Offer Period in order to satisfy the conditions to completion of the Tender Offer. The first paragraph of section "Certain Key Dates" shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in ~~strikethrough~~):

The first paragraph of section 3.3 shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

“The acceptance period for the Tender Offer commences on 8 March 2023, at 9:30 a.m. (Finnish time) and expires on **31 July 2 October** 2023, at 4:00 p.m. (Finnish time), unless the acceptance period is extended or discontinued as described below (the “Offer Period”).”

#### *Supplements relating to updates on regulatory approvals*

As announced in the Offeror’s Stock Exchange Release, the Finnish Competition and Consumer Authority (the “FCCA”) has concluded the first phase of the notification proceedings and has on 24 July 2023 decided to initiate the Phase II proceedings. Based on currently available information and ongoing discussions with the FCCA, the Offeror currently estimates that it will be able to obtain the merger control clearance in Finland by the first half of September 2023, if not earlier, i.e., before the statutory deadline for the Phase II proceedings. With respect to the process with the European Commission, based on currently available information and ongoing discussions with the European Commission, the Offeror currently estimates that it will be able to obtain the merger control clearance from the European Commission by the first half of September 2023, if not earlier. Based on the foregoing, the Offeror supplements sections “*Certain Key Dates*” and 1.8 of the Tender Offer Document.

The second paragraph of section “*Certain Key Dates*” shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

“Due to the anticipated process for obtaining all the necessary regulatory approvals, permits, clearances and consents required for the completion of the Tender Offer, the Tender Offer is currently expected to be completed during the **third or** fourth quarter of 2023. The Offeror intends to extend the Offer Period in accordance with, and subject to, the terms and conditions of the Tender Offer and applicable laws and regulations, to the extent necessary in order to satisfy the Conditions to Completion (as defined below), including without limitation obtaining merger control clearance **and approvals required under applicable foreign direct investment laws.**”

The second paragraph of section 1.8 shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

“Based on currently available information, the Offeror expects that the completion of the Tender Offer will be subject to merger control clearance by the European Commission as well as approvals relating to foreign direct investment control in certain jurisdictions. As described below, the Offeror has with respect to merger control clearance proactively requested a partial referral of the case to Finland. Following its voluntary request for partial referral, the European Commission has decided to refer the review of the Finnish part of the transaction to the Finnish Competition and Consumer Authority. As a result of the referral, the effects of the transaction on competition in Finland **is being will be** reviewed by the **FCCA Finnish Competition and Consumer Authority** in accordance with Finnish procedural and substantive rules, whereas the European Commission will concentrate on the assessment of the effects of the transaction in EU jurisdictions other than Finland. **With respect to the Finnish part of the transaction, the Offeror submitted the formal merger control notification to the Finnish Competition and Consumer Authority on 20 June 2023. The Finnish Competition and Consumer Authority has concluded the first phase of the notification proceedings and has on 24 July 2023 decided to initiate the Phase II proceedings. According to the Finnish Competition Act (948/2011, as amended), the Phase II proceedings may not take more than 69 working days, unless the Finnish Market Court grants, upon application, an extension to the Finnish Competition and Consumer Authority for reviewing the case.** With respect to foreign direct investment control approvals, the Offeror has obtained foreign direct investment control approval for the Tender Offer in all relevant jurisdictions, namely Finland, Denmark and Austria. Given that all approvals relating to foreign direct investment control have been received, the Tender Offer is with respect to regulatory approvals conditional only on merger control clearance, as described below.”

The third paragraph of section 1.8 shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

“As at the date of this Tender Offer Document, the process for obtaining merger control clearance for the Tender Offer is ongoing **and the Offeror is engaged in pre-notification discussions** with the competent merger control authorities. The process is progressing as planned, and the Offeror expects that it will obtain merger control clearances **by the first half of September 2023, if not earlier,** and complete the Tender Offer during the **third or** fourth quarter of 2023.”

The fourth paragraph of section 1.8 shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

“In line with its statutory obligation to secure the prerequisites for the completion of the Tender Offer, the Offeror has with access to detailed non-public information and with the assistance of highly reputable merger control experts carried out a comprehensive substantive merger control assessment, including an analysis of any overlaps between the businesses of Caverion on the one hand, and the portfolio companies of Triton as well as other funds managed by

affiliates of Triton (including Assemblin) on the other. Based on such analysis, the Offeror does not believe that its Tender Offer raises any material substantive concerns or execution risk from a merger control clearance perspective. The analysis carried out by the Offeror further indicates that any detailed competition review will likely be limited to very few regions in Finland, where the local competition authority is experienced and knowledgeable about the relevant sector based on its recent merger control decisions. To expedite the approval process, the Offeror has proactively requested a partial referral of the case to Finland following constructive discussions with both the European Commission and the Finnish Competition and Consumer Authority". Following such voluntary request for partial referral, the European Commission has decided to refer the review of the Finnish part of the transaction to the Finnish Competition and Consumer Authority. As a result of the referral, the effects of the transaction on competition in Finland ~~will be~~ **is being** reviewed by the **Finnish Competition and Consumer Authority FCCA** in accordance with Finnish procedural and substantive rules, whereas the European Commission will concentrate on the assessment of the effects of the transaction in EU jurisdictions other than Finland. Based on discussions with the authorities, the Offeror believes that this is the most efficient approach and expects a quick and efficient process with the European Commission as regards the EU jurisdictions other than Finland."

The fifth paragraph of section 1.8 shall be amended to read as follows (amendments **bolded and underlined** with deletions appearing in **strikethrough**):

"With respect to the timeline for completion of the Tender Offer, the competent competition authorities are expected to carry out their own analyses of the substance of the case. As in all transactions of this nature, this will be conducted in accordance with the prescribed regulatory process and timetable. The Offeror continues to work on this process and **will is** actively cooperating, ~~and is engaged in pre-notification discussions,~~ with the competent competition authorities in order to conclude the process as quickly as possible. The Offeror believes that a partial referral of the case to Finland will allow for a more efficient process given the Finnish Competition and Consumer Authority's recent experiences in the sector, whereas the process with the European Commission as regards jurisdictions other than Finland is expected to be concluded quickly and efficiently. In all, ~~as at the date of the this Tender Offer Document,~~ the process is progressing as planned, ~~and, based on its analysis and work carried out to date, as well as considering the statutory handling times applicable to merger control clearance processes, the Offeror expects that it will obtain merger control clearance and complete the Tender Offer during the third or fourth quarter of 2023.~~ **Based on currently available information and ongoing discussions with the Finnish Competition and Consumer Authority, the Offeror currently estimates that it will be able to obtain merger control clearance in Finland by the first half of September 2023, if not earlier, i.e., before the statutory deadline for the Phase II proceedings. With respect to the process with the European Commission, the Offeror submitted the formal merger control notification to the European Commission on 26 July 2023 and based on currently available information and ongoing discussions with the European Commission, the Offeror currently estimates that it will be able to obtain merger control clearance from the European Commission by the first half of September 2023, if not earlier. Based on the foregoing, the Offeror expects that it would complete the Tender Offer in the fourth quarter of 2023.**"

## **CRAYFISH BIDCO OY'S MERGER CONTROL CLEARANCE PROCESSES PROCEEDING AS PLANNED; EXTENDS THE OFFER PERIOD UNDER THE TENDER OFFER FOR ALL SHARES IN CAVERION CORPORATION UNTIL 2 OCTOBER 2023**

Crayfish BidCo Oy, Stock Exchange Release, 24 July 2023 at 1:30 p.m. (EEST)

On 10 January 2023, Crayfish BidCo Oy (the "**Offeror**"), a Finnish private limited liability company indirectly controlled by the entities comprising Triton Fund V (together "**Triton**"), announced a voluntary public cash tender offer for all the issued and outstanding shares in Caverion Corporation ("**Caverion**" or the "**Company**") that are not held by Caverion or any of its subsidiaries (the "**Tender Offer**"). The Offeror has published a tender offer document, dated 7 March 2023, concerning the Tender Offer and supplements to the tender offer document, dated 14 March 2023, 4 April 2023, 13 April 2023, 9 May 2023, 25 May 2023 and 16 June 2023 (the tender offer document as supplemented with the aforementioned supplement documents, the "**Tender Offer Document**"). The acceptance period under the Tender Offer (the "**Offer Period**") commenced on 8 March 2023 at 9:30 a.m. (Finnish time) and was set to expire on 31 July 2023 at 4:00 p.m. (Finnish time).

### **UPDATE ON THE MERGER CONTROL CLEARANCE PROCESSES**

The completion of the Tender Offer is conditional on, among others, the receipt of all necessary regulatory approvals, including merger control clearance. The Offeror has previously announced that following the Offeror's voluntary referral request, the European Commission has decided to refer the review of the Finnish part of the transaction to the Finnish Competition and Consumer Authority ("**FCCA**"). As a result of the referral, the effects of the transaction on competition in Finland is being reviewed by the FCCA in accordance with Finnish procedural and substantive rules, whereas the European Commission will concentrate on the assessment of the effects of the transaction outside of Finland.

The Offeror continues to work on the processes for obtaining merger control clearance for the Tender Offer, and the processes are progressing as planned. With respect to the Finnish part of the transaction, the Offeror submitted the formal merger control notification to the FCCA on 20 June 2023. The FCCA has concluded the first phase of the notification proceedings and has today decided to initiate the Phase II proceedings. According to the Finnish Competition Act, the Phase II proceedings may not take more than 69 working days, unless the Finnish Market Court grants, upon application, an extension to the FCCA for reviewing the case.

Based on currently available information and ongoing discussions with the FCCA, the Offeror currently estimates that it will be able to obtain merger control clearance in Finland by the first half of September 2023, if not earlier, i.e., before the statutory deadline for the Phase II proceedings. With respect to the process with the European Commission, based on currently available information and ongoing discussions with the European Commission, the Offeror currently estimates that it will be able to obtain merger control clearance from the European Commission by the first half of September 2023, if not earlier. However, Caverion shareholders are advised that the length of the merger control clearance processes is not within the Offeror's control, and that there can be no assurances that the clearances would be obtained within the

estimated timeframe. If the clearances are not obtained within the estimated timeframe, the Offeror expects to extend the Offer Period further as stated in section “*Extension of the Offer Period*” below.

In all, the Offeror continues to anticipate that there will be no material substantive issues with respect to obtaining merger control clearances either from the FCCA or the European Commission.

## **EXTENSION OF THE OFFER PERIOD**

Having regard to the ongoing merger control processes, the Offeror has decided to extend the Offer Period to expire on 2 October 2023 at 4:00 p.m. (Finnish time), unless extended further or discontinued in accordance with and subject to the terms and conditions of the Tender Offer and applicable laws and regulations. The Offeror reserves the right to further extend the Offer Period as necessary in order to satisfy the conditions to completion of the Tender Offer, including obtaining merger control clearance.

The terms and conditions of the Tender Offer remain unchanged in all other respects. Shareholders who have already tendered their shares in Caverion in the Tender Offer do not have to re-tender their shares or take any other action as a result of the extension of the Offer Period. The unanimous recommendation by the Board of Directors of Caverion that the holders of shares in Caverion accept the Tender Offer, as issued on 5 April 2023, remains in force unchanged.

## **OTHER MATTERS**

The Offeror will supplement the Tender Offer Document in respect of the information included in this stock exchange release and will publish the supplement to the Tender Offer Document as soon as it has been approved by the Finnish Financial Supervisory Authority.
